Subject: microsoft settlement

Attorney General John Ashcroft
U.S. Dept. of Justice
950 Pennsylvania Ave. NW
Washington, D. C. 20530

I would like to see the Dept. of Justice settle it's long standing antitrust laswsuit against Microsoft. This has been going on far too long and it seems the only thing the government and states, that have not committed to settle, seem to be holding out for is blood.

The settlement agreed upon in November is fair and the changes Microsoft is willing to agree to will ensure a more competitive marketplace. I do not know what more the government can ask for.

I am a Microsoft shareholder and Microsoft's financial success affects my financial success. Therefore, with a reasonable settlement drafted, I urge you to finalize it without additional delay. I've already lost plenty in the enron scandal.

Sincerely,

Collette Dobmeier
